

## MISCELLANEOUS PYROTECHNIC STORES

Our Miscellaneous Pyrotechnic Stores (MPS) are specifically designed to store any Miscellaneous Pyrotechnics (MPs) from Hazard Division 1.4, 1.3 and 1.2 collectively at the 1.4 level. This includes Time Expired Pyrotechnics (TEPs), which are all classed in Hazard Division 1.2. These units have been tested and approved under stringent UN6C testing regimes and many have been in service since 2009 across the UK.
